

The Honor of Your Presence is Requested

Amgen Manufacturing, Limited
ASCO Power Technologies, LP, &
M. R. Franceschini, Inc.

Cordially invites you to :

Amgen Emergency/Standby Power System

Place: Amgen, Juncos

Date: Wednesday, May 27, 2009

Time: 8:30 am

The system is the largest Emergency/Standby Power in the Caribbean and one of the largest in Latin-America. The system includes various paralleling systems with network communications and various modes of operations.

Come and join us to the presentation and the Plant Tour to this unique electrical power system in Puerto Rico.

We look forward to seeing you there!

Reservations are required, please call or email to:
